Laiškas originalo kalba:

The Scientific Working Group (SWG) Multiple Myeloma and EHA are organizing a three-day meeting focusing on recent advances in Multiple Myeloma, which will take place from **September 5-7, 2014 in Barcelona**, Spain. With this email we would like to kindly ask you, if you could share the information about this meeting among your members and/or announce it on your society's website.

Please find below the text that you could use for your website:

The EHA-SWG scientific meeting Multiple Myeloma will take place from **September 5-7, 2014 in Barcelona**, Spain. This meeting will cover the genome wide studies, molecular diagnostics, GWAS analyses, imaging, MRD monitoring, myeloma stem cells, targeted treatment strategies, clinical trial portfolio, bio-banking and guidelines. In particular, this meeting will provide an innovative format that allows room for discussion. Voting boxes will be used for the self-assessment of participants. The online registration is now open. EHA members benefit from a € 75 discount on the registration fee.

This scientific meeting is EHA-CME accredited for 14 points and attached is a meeting's flyer for dissemination.

For further information about the program and registration, please visit EHA website at <http://www.ehaweb.org/congress-and-events/scientific-events/eha-swg-scientific-meetings/multiple-myeloma/>.

We would like to thank you in advance for your collaboration.
